NEXT MED

Interreg NEXT MED
Transnational Cooperation Programme
2021-2027
Challenges, priorities and opportunities

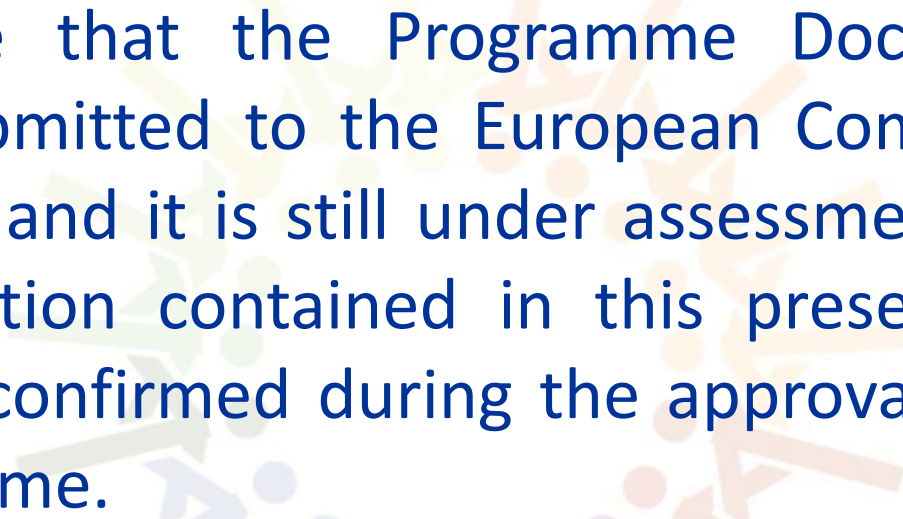

Dr. Esmat AlKaradsheh

Coordinator of the Eastern Mediterranean BO-Aqaba\Jordan

24th Oct 2022

Disclaimer

Please note that the Programme Document was officially submitted to the European Commission on 21.07.2022, and it is still under assessment. Some of the information contained in this presentation will have to be confirmed during the approval process of the Programme.

ENPI, ENI and NEXT MED

Driving cooperation across borders in the Mediterranean since 2007

- NEXT MED is the 3rd edition of the largest EU-funded programme for cooperation between the two shores of the Mediterranean
- Contribute to joint prosperity, stability and security by addressing together common challenges
- Key principles: co-ownership, balanced partnership, common benefits
- Programme managed by the Autonomous Region of Sardinia on behalf of the EC and the PCs

The ambition of NEXT MED Programme

The vision of the Programme is to contribute to a smart, sustainable and equal development for everyone in the Mediterranean Basin by supporting a balanced, sustainable and ambitious cooperation as well as multilevel governance.

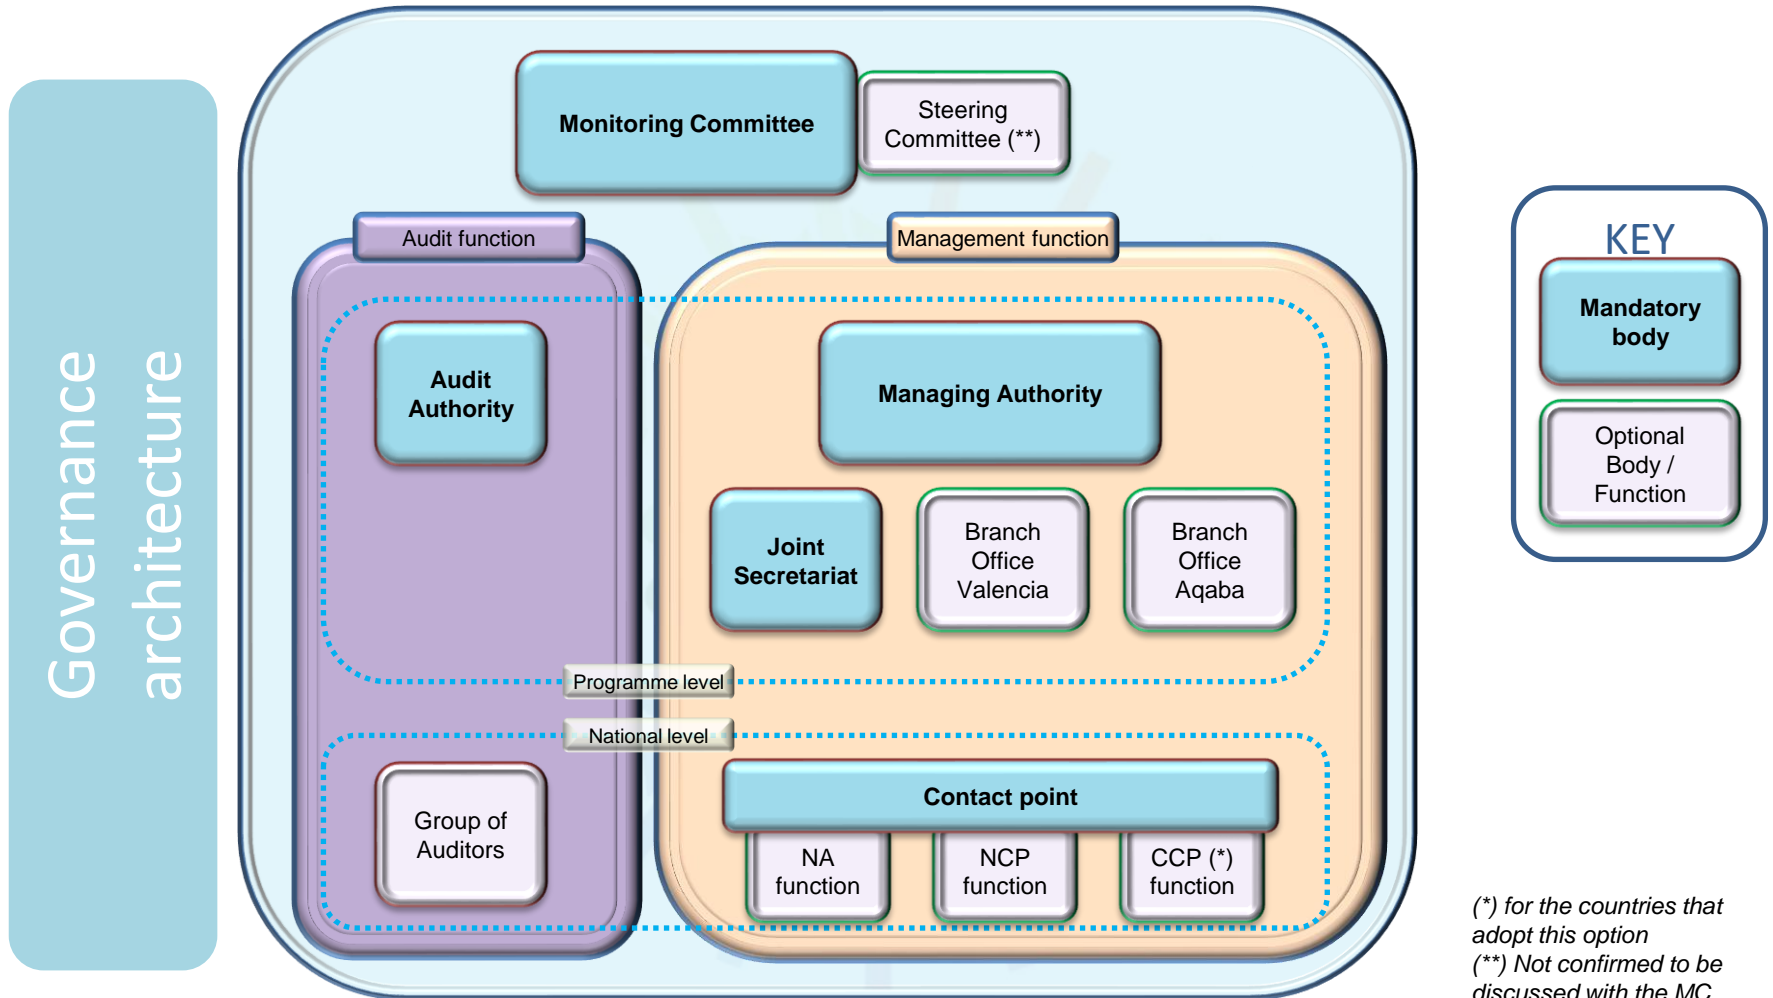

A potentially enlarged geographical coverage

- 15 participating countries, 90+ eligible territories
- Algeria, Cyprus, Egypt, France, Greece, Israël, Italy, Jordan, Lebanon, Malta, Palestine, Portugal, Spain, Tunisia, Türkiye
- The participation of the partner countries will have to be validated through a financial agreement with the European Commission

Programme Governance

(*) for the countries that adopt this option
(**) Not confirmed to be discussed with the MC

Reinforced financial means

Budget up by 21% compared to the ENI CBC Med Programme
