# Smart Specialisation (S3): key updates

- **New S3 platform** set up by DG MARE and REGIO on sustainable blue economy is **now fully operational**. It provides targeted support to blue economy stakeholders to create innovative interregional partnerships.
- **September info session:** for our stakeholders and presented the S3 Community of Practice, services offered and the Call for expression of interest to create new S3 partnerships in our sector.
- The *Call* is now closed. We are looking forward to seeing regions on the lead of potential partnerships on fisheries, aquaculture, blue biotechnologies, marine renewable energies, coastal maritime tourism.
- **S3 Forum 28 November, Barcelona:** offering stakeholders discussions on S3 policy and implementation, fostering the exchange of information and best practices.
- DG MARE keeps circulating all information
