

World Ocean Council

“Corporate Ocean Responsibility for a Sustainable and Regenerative Blue Economy”

Bringing together a responsible ocean business and investment community

Engaging and partnering with multisector ocean stakeholders

Catalyzing global leadership and collaboration in the ocean business community

Goals

**Taking Action for the Ocean
(Programmes)**

**Uniting our Voice for Ocean Sustainability and Resilience
(Communications/Events)**

**Investing in the Ocean
(Funding and Finance)**

**Creating a Collaborative, Diverse Ocean Community
(Membership)**

Programmes

The background of the slide features a light blue sky with a faint, semi-transparent image of a port building. On the left, a sign reads "PORT OF LOS ANGELES" and "BERTH 60 - 59 - 58". On the right, a large pelican is shown in flight, its wings spread wide, flying towards the right side of the frame.
